

# CHARACTER DEVELOPMENT SUMMARY

(name) \_\_\_\_\_  
 (date) \_\_\_\_\_

Character qualities emphasized this month: \_\_\_\_\_ Scripture Memorization: \_\_\_\_\_

This form is a tool that can help you evaluate your child's attitudes and behavior, and diagnose character qualities that need to be developed. This can be filled out by the parents together or individually, or even by your child. Our main objective is that character strengths and weaknesses are identified and discussed, and specific direction is given for personal growth. Circle character qualities to be worked on.

Explanation of the evaluation scale: (poor example) (average example) (dynamic example)
